

### **PRAIVATE- III**

**Sara Sasani**  
2022-23

Self-Published  
Edition : 24/120

This collection deals with my life with my son Sohrab as a new mother. In this series I discuss my life and its changes and challenges as a woman who became a mother Ups and downs, hardships and joys. Motherhood is a wonderful experience and of course exhausting. This project does not end here and continues as long as Sohrab and I are together.
